Each house is a Being and this being is the Rose.

In the same way that all the beautiful roses were, one day, just a small seed, this Being is today the beginning of what will be your dream home. A house and hayloft ready to become the prince charming you always dreamed of.

Get to know the site and the project for a two-story house that includes two bedrooms, a mezzanine and an office that can also be easily adapted into a bedroom. On the top floor, we have the kitchen, living room and a fabulous swimming pool overlooking Santa do Porto Moniz. A beautiful home, isn't it?
