Each house is a Being and this Being is Paris.

Paris is a city known for its romantic side, but also for the magic and charm that it attracts from children to adults.

Just like Paris, this 1-bedroom apartment will give you the possibility of living in a magical way and enjoying every corner as if for the first time. Located in the heart of Barreiros, it gives you the possibility, in just a few steps, to buy a good baguette or purchase any item, taking into account that it is an area well served by commerce and services.
